

# Himalayan Salt Chef™

## Himalayan Salt Utility Square Himalayan Salt Round Utility Plate

Item#:HC400US/HC401UR

Himalayan Salt Chef™ Utility Plates come in both round ( 8" D x1 1/4H ) diameter and (HC401UR) square (8"x 8"x 1 1/4h ) diameter (HC400US)and are multi-purpose designed to fit into standard cast iron pans for oven and range/grill use. Utility Plates may also be used as chopping blocks and cutting boards to introduce a salt touch to a variety of foods. In addition, these versatile plates may be used as serving platters for both hot and cold items.

## Himalayan Salt Baking Bricks

Item #:HC500BB

Himalayan Salt Chef™ Baking Bricks are 8" L x 2.5 W x 1" H and designed to fit ¼ and ½ size baking pans (in sets of 2 ) They can be used for baking, oven grilling, food weights and hot serving presentations as well as serving chilled foods.

## Himalayan Salt Chef™ Chunks

Item#HC600CS

Himalayan Salt Chef™ chunks (HC600CS) are 1" diameter natural salt rocks that have a variety of uses from BBQ and gas grilling briquettes to seasoning salt for your grinder.

## Himalayan Salt Mortar & Pestle

Item#:HC100MP

Leading off our line is the Himalayan Salt Chef™ Mortar and Pestle which is an incredible new take on an age old product. Not only grind spices, herbs, pesto, etc, in the traditional manner but add the unique and healthy hint of Himalayan Pink salt to any preparation.

## Salt Chef Bowl

Item #: HC200SB

The Himalayan Salt Chef bowl is 6" in diameter and multi purpose. A simple thing of beauty that has a myriad of uses from mixing fruits and vegetables for that just right salt touch to serving cold summersoups. The Salt Bowl may be oven or range top heated and used frozen or chilled to compliment a wide range of dishes.

## Himalayan Salt Slab Set / Himalayan Salt Tray

Item #:HC300SS /HC300ST

Himalayan Salt Chef™ Serving Slabs ( 4"D ) and Sushi Trays ( 8" L x 2.5 W ) are not only unique ways to present and serve these seafood delicacies but with the added benefit of giving a salty hint to sushi in lieu of high sodium soy sauce. Another plus is that due to their salt composition, these slabs and trays are anti-microbial by nature.

Please carefully read instructions on usage / care booklet of all Himalayan Salt Chef™ products before use.

- \* Manufactured from the finest salt in the world-Himalayan Pink Salt
